

## **Weekly Meeting**

Helen Sanabria:

- Are you facing any problem or issues?

\*No, we had a clear understanding of what we wanted to do and each member contributed to the deliverable.

- What have you planned for this week?

\*To follow the schedule to stay on track with the deliverable, prioritizing and specifying requirements and making progress on the Deliverable 1 document.

Viviana Arango

- Are you facing any problem or issues?

We are not facing any major issues at the moment. We are progressing as planned and clarifying requirements as we move forward.

- What have you planned for this week?

This week, we plan to refine the product definition, finalize the core features of the web application, and continue working on the system design.

Juan José Álvarez

- Are you facing any problem or issues?

No issues. The team is working as expected.

- What have you planned for this week?

This week, we will focus on organizing requirements and moving forward.
